

INSWING

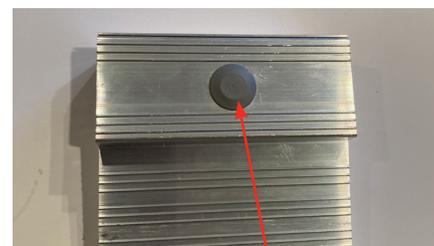

Thresholds and Accessories

Making durable thresholds since 1987, DLP's threshold designs are built to last. Keeping the bugs and water out and the air in, DLP thresholds have been tested with several door systems to pass the stringent Florida building codes.

- DLP offers a full line of inswing, outswing, and ADA compliant aluminum thresholds
- Available in a variety of profiles
- Stocked in mill, bronze or black (NEW) finish
- Manufactured in the USA
