

## Introduction & Instructions

This Price and Availability Guide is to be used together with the BHI 2023 Interior PH System Catalog. All items appear in this Guide in the same order they appear in the Catalog. Customers can reference the height, thickness, and design they want from the Catalog, and then cross-reference that combination in this Guide to determine what widths are available, as well as to find the List Price for the most expensive width. Each height, thickness, and design combination from the Catalog will have multiple lines in this guide, to show the Single Unit vs Double Unit Configurations of that combination, as well as to show any available 20 Minute Fire Rated Single Systems. Please review the bullet points below before proceeding:

\* All prices shown in this document are List Prices. Please use the discount Multiplier given to you by your sales agent to calculate your specific Net Price.

\* All Standard Units in this Price Guide are priced to include the following Standard Features:

- 4-9/16" Primed White Wood Jambs
- Radius by Radius Hinges: 3.5" for Units with 1-3/8" slab thickness, 4.0" for Units with 1-3/4" slab thickness (your choice of Satin Nickel, Bronze, or Black)
- Single Bore or Double Bored Slab and Latch Jamb
- Double Units include your choice of Wood Astragal Installation or Ball Catch Bore options

\* All 20Min Fire Rated Units in this Price Guide are priced to include the following Standard Features:

- 4-9/16" Smooth White Polyfiber Jambs
- 4.0" Radius by Radius Ball Bearing Hinges (your choice of Stainless Steel, Satin Nickel, Bronze, or Black)
- Double Bored Slab and Latch Jamb
- Mill Finish Aluminum Inswing, Outswing or Handicap Thresholds
- White Weather-stripping

**This complete document is a guide to pricing and availability, pricing is not always exact.**

**\*\*\*Please confirm all prices by requesting a written quote from BHI.\*\*\***

**Unit pricing could vary slightly from quoted pricing based on choosing options not listed as Standard Features above (threshold type/ finish, weather-strip color, hinge type/ finish or other modifications).**
